

Objective  
To obtain a full-time position with a reputable advertising agency where I can utilize my creative skills in layout and design.

### Qualifications

I am a highly creative person, always looking to challenge myself. I have a great deal of experience with the Adobe Creative Suite, including Photoshop, Flash and InDesign. I would be an asset to your company because I bring new and fresh ideas, while maintaining realistic sensibility and style. I have exceptional communication skills and easily relate to others.
