Dreamweaver
Flash
Microsoft Office
Fine Arts
Cinema 4D
KeyBoarding
Mac / PC

education:

School of Advertising Art
May 2009
Associate Degree of Applied Business in Advertising Art
Major: Graphic Design

work experience:

Bob Evans Xenia, Ohio
Four years service

While working at Bob Evans I took on a variety of job responsibilities. I was a salesperson dealing directly with customers and helping them with their food orders. I was also a service attendant, clearing tables and keeping the restaurant looking its best. I worked the grill line preparing food and making sure customers were satisfied with their selections. I also was in kitchen prep preparing breads and sauces and controlling food proportions to meet company standards in order to improve profits.
